## Beyond The Box

Utility Box Mural Program

## Beyond The Box

The City of Glendale Arts and Culture Commission has designed a program to support public art programs and to enhance the community and neighborhoods through the use of murals. The project, Beyond the Box, would enhance the aesthetics of the city, promote civic pride, increase pedestrian traffic and extend public art to new areas and unexpected places while creating an attractive environment and allowing art to be introduced to the public in a creative and inventive way. The program goal is to bring beauty to unexpected places such as public infrastructure and utility boxes.

**The Utility Box Mural Program is designed to encourage community pride and beautify neighborhoods.**

## Eligibility

This project is open to all local and regional artists. The Commission encourages applications from both new and established artists. Glendale applicants may be given preference if all else is equal. Artists may apply as an individual artist or as a group. For group submissions, a signed Release of Liability and Indemnity Agreement for each participating artist must be included in addition to the application form and design template. Group submissions may be for a single utility box or multiple utility boxes. No more than three submissions per individual or group.
